

is for azaleas
and alligators that roam,
and the smell of fresh-baked apple pie
in an antebellum home.

is for boiled peanuts,
biscuits, and black-eyed peas
chasing butterflies in summertime,
and running from bumblebees!

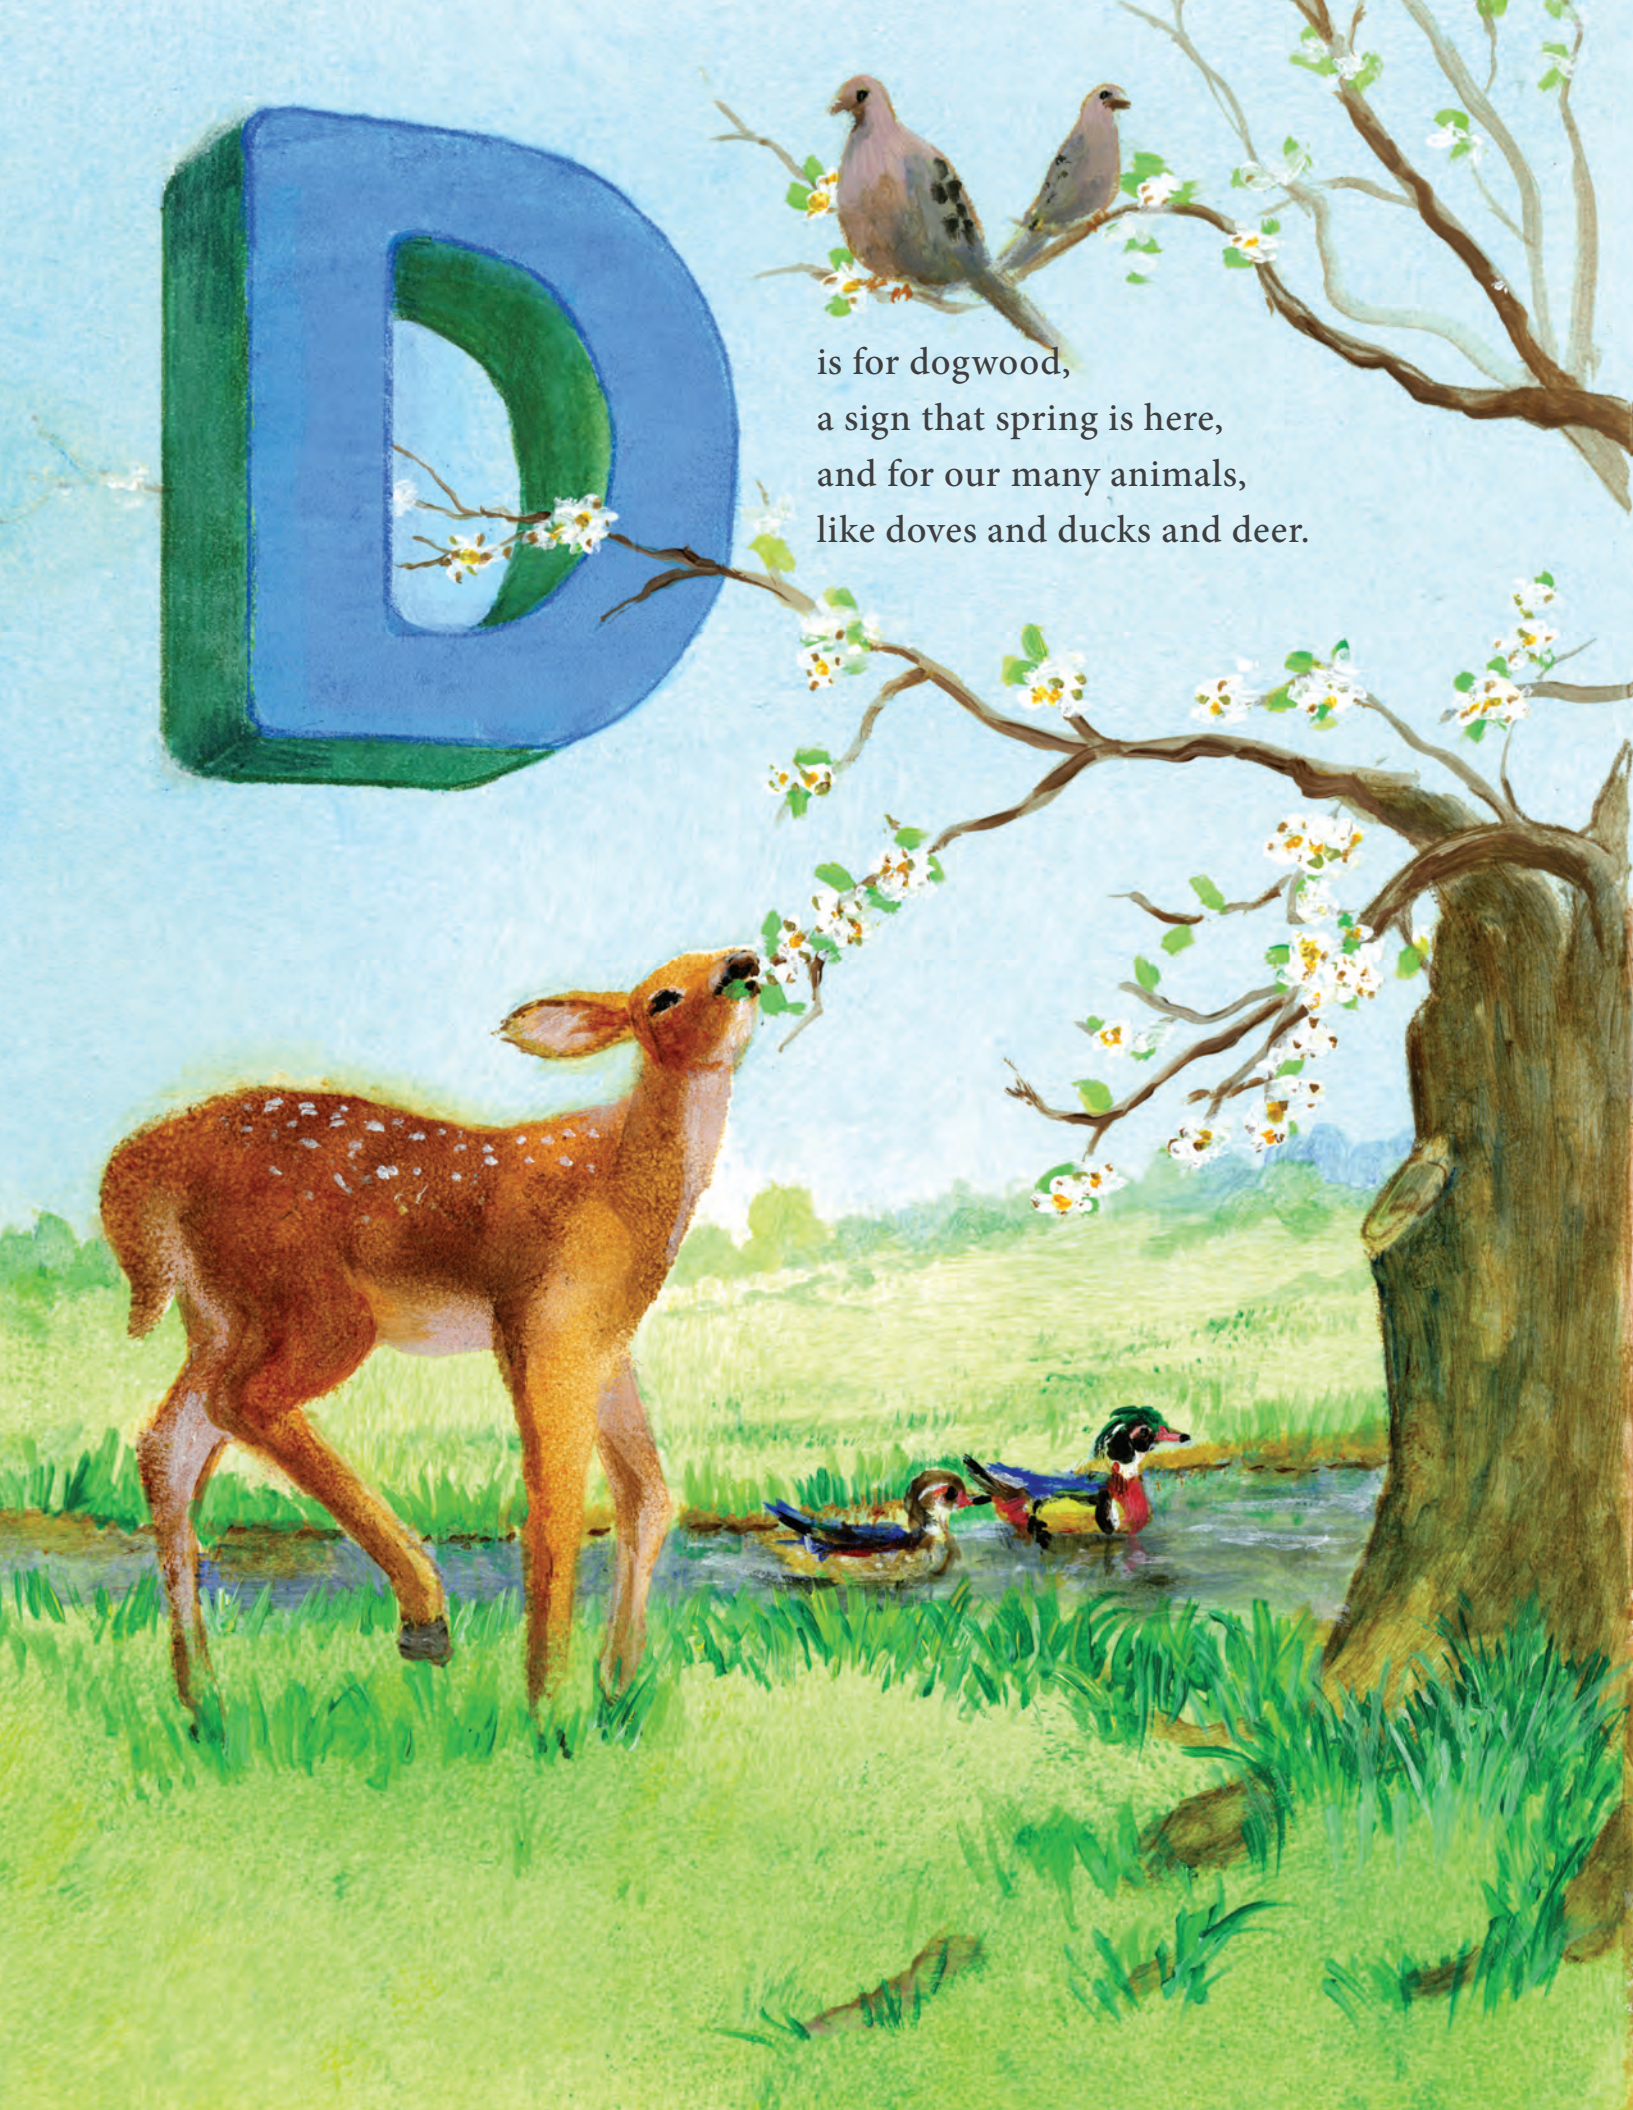

C

is for camellias,
cotton fields for miles and miles,
creeks and country churches,
and calm, laidback lifestyles.

is for dogwood,
a sign that spring is here,
and for our many animals,
like doves and ducks and deer.

E

is for the eggs that
we gather from the coops.
It's also for the egrets
that follow cows in groups.

F

is for family farms,
fiddles, and fried food.
But, please avoid our fire ant mounds.
They'll really change your mood!
