## *Ghost Hunter's Guide to the San Francisco Bay Area*

## ***Ghost Hunter's Guide to New Orleans***

Designed as a guide for locals, new residents, and travelers seeking encounters with the unique, off-the-beaten-path history of the Crescent City, this book will enable novice and experienced paranormal adventurers to see beyond the surface of the usual tourist haunts and historic sites. Detailed descriptions and historical background for more than two hundred locations guide readers to sites of various tragedies, criminal activities, and ghostly legends and lore throughout New Orleans and along the lower Mississippi River.

Suggested stops include famous cemeteries such as St. Louis Cemetery #1 and Lafayette Cemetery # 1 and the former homes of Civil War notables like Confederate president Jefferson Davis and Gen. P.G.T. Beauregard. After visiting the spirits at world-famous bars and restaurants such as Commander's Palace and Arnaud's Restaurant, visitors may want to take a seat next to a ghost at the haunted Le Petit Théâtre du Vieux Carre. A short drive upriver, adventurous souls will find the world-famous Myrtles Plantation, reputed to be the most haunted house in America, and other beautiful remnants of the antebellum South, including the magnificent Oak Alley, San Francisco Plantation, and the Old State Capitol in Baton Rouge.
